Summary of Union Budget 2021-22

As per Article 112 of the constitution, a union budget is basically the statement of the estimated receipts and expenditure of the government. It is also known as the annual financial statement of the government. Department of Economic Affairs, Ministry of Finance is the nodal body responsible for preparing the Budget.

Budget 2021-22 is the first budget of the new decade 2021-30 and is also the first ever digital union budget. This budget which comes in the backdrop of unprecedented COVID-19 crisis reflects the firm commitment of the Government to boost economic growth by investing in infrastructure development.

Part A

Budget proposals for 2021-2022 rest on 6 pillars:

1. Health and Wellbeing
2. Physical & Financial Capital, and Infrastructure
3. Inclusive Development for Aspirational India
4. Reinvigorating Human Capital
5. Innovation and R&D
6. Minimum Government and Maximum Governance

Health and Wellbeing

Textiles: To enable Textile industry to become globally competitive, attract large investments and boost employment generation & exports:

- **Mega Investment Textiles Parks (MITRA) scheme** will be launched in addition to PLI.
- **7 Textile Parks** to be established over 3 years

Infrastructure:

- National Infrastructure Pipeline (NIP) has now expanded to 7,400 projects. Budget proposes three ways to address increased funding requirements for NIP:
  - By creating the institutional structures;
  - By a big thrust on monetizing assets, and
  - By enhancing the share of capital expenditure in central and state budgets.

Creation of institutional structures: Infrastructure Financing

- **Rs. 20,000 crore to set up and capitalise a Development Financial Institution (DFI) – to act as a provider, enable and catalyst for infrastructure financing**
- Rs. 5 lakh crore lending portfolios to be created under the proposed DFI in 3 years
- Debt Financing by Foreign Portfolio Investors to be enabled by amending InvITs' and REITs' legislations

Asset Monetisation: A “National Monetization Pipeline” of potential Brownfield infrastructure assets will be launched. An Asset Monetization dashboard will also be created for tracking the progress and to provide visibility to investors.

Other asset monetisation measures include: monetisation of railway infrastructure assets/sports stadiums/dedicated freight corridor assets etc.

Sharp Increase in Capital Budget: Rs. 5.54 lakh crore capital expenditure in BE 2021-22 – sharp increase of 34.5% over Rs. 4.12 lakh crore allocated in BE 2020-21.
Roads and Highways Infrastructure:
- More economic corridors are being planned.
- Advanced Traffic management system in all new 4 and 6-lane highways.

Railway Infrastructure:
- National Rail Plan for India (2030): to create a ‘future ready’ Railway system by 2030
- Western Dedicated Freight Corridor (DFC) and Eastern DFC to be commissioned by June 2022, to bring down the logistic costs – enabling Make in India strategy
- Measures for passenger convenience and safety:
  - Aesthetically designed Vista Dome coach on tourist routes for better travel
  - High density network and highly utilized network routes to have an indigenously developed automatic train protection system, eliminating train collision due to human error

Urban Infrastructure:
- Raising the share of public transport in urban areas by expansion of metro rail network and augmentation of city bus service
- Rs. 18,000 crore for a new scheme, to augment public bus transport
- ‘MetroLite’ and ‘MetroNeo’ technologies to provide metro rail systems at much lesser cost with similar experience in Tier-2 cities and peripheral areas of Tier-1 cities.

Power Infrastructure:
- A framework will be put in place to give consumers alternatives to choose from among more than one Distribution Company.
- To improve viability of Distribution Companies, a revamped reforms-based result-linked power distribution sector scheme will be launched.
  - The scheme will provide assistance to DISCOMS for Infrastructure creation including pre-paid smart metering and feeder separation, upgrading of systems, etc., tied to financial improvements.
- A comprehensive National Hydrogen Energy Mission 2021-22 to be launched

Ports, Shipping, Waterways:
- 7 projects to be offered in PPP-mode in FY21-22 for operation of major ports
- A scheme to promote flagging of merchant ships in India will be launched by providing subsidy support to Indian shipping companies in global tenders floated by Ministries and CPSEs.
  - This initiative will enable greater training and employment opportunities for Indian seafarers besides enhancing Indian companies share in global shipping.

Petroleum & Natural Gas:
- Extension of Ujjwala Scheme to cover 1 crore more beneficiaries
- To add 100 more districts to the City Gas Distribution network in next 3 years
- An independent Gas Transport System Operator to be set up for facilitation and coordination of booking of common carrier capacity in all-natural gas pipelines on a non-discriminatory open access basis

| **Atal Mission for Rejuvenation and Urban Transformation (AMRUT)** | - It is a Central Sponsored Scheme by Ministry of Housing and Urban Affairs aimed at providing basic civic amenities like water supply, sewerage, urban transport, parks as to improve the quality of life for all especially the poor and the disadvantaged.  
  - **Focus is on infrastructure creation** to provide better services to citizens.  
  - It covers **500 cities that includes all cities and towns with a population of over 1 lakh** with notified Municipalities. |
| **National Infrastructure Pipeline (NIP)** | - NIP for FY 2019-25 is a first-of-its-kind, whole-of-government exercise to provide world-class infrastructure to citizens and improving their quality of life.  
  - It aims to improve project preparation and attract investments into infrastructure.  
  - NIP includes both economic and social infrastructure projects. |
| **Capital expenditure** | - There are expenditures of the government which result in creation of physical or financial assets or reduction in financial liabilities.  
  - This includes expenditure on the acquisition of land, building, machinery, equipment, investment in shares, and loans and advances by the central government to state and UT governments, PSUs and other parties. |
| **Revenue expenditure** | - It is expenditure incurred for purposes other than the creation of physical or financial assets of the central government.  
  - It relates to those expenses incurred for the normal functioning of the government departments and various services, interest payments on debt incurred by the government, and grants given to state governments and other parties (even though some of the grants may be meant for creation of assets). |
| **InvITs** | These are **investment scheme similar to mutual funds** that allow investment from individuals and institutional investors in infrastructure projects to earn a portion of the income as return. |
| **REITs** | It are listed entities that **owns, operates or finances income-producing real estate**.  
An REIT **works very much like a mutual fund. It pools funds** from a number of investors and invests them in rent generating properties. |
| **Monetization** | It refers to the process of **turning a non-revenue-generating item into cash**, essentially liquidating an asset or object into legal tender. |
| **Ujjwala Scheme** | It is a scheme of the Ministry of Petroleum & Natural Gas for providing LPG connections to women from Below Poverty Line (BPL) households. |
| **GIFT-IFSC** | **Gujarat International Finance Tec-City Co. Ltd (GIFT) is being developed** as the country’s first International Financial Services Centres (IFSC).  
**IFSC provides services to customers outside jurisdiction of domestic economy**, dealing with flows of finance, financial products and services across borders. |
| **Bond market** | It is also known as debt market, fixed-income market, or credit market.  
It describes a **marketplace where investors buy debt securities** that are brought to the market by either governmental entities or publicly-traded corporations. |
| **Alternate Investment Funds** | AIF means any fund established or incorporated in India which is a **privately pooled investment vehicle which collects funds from sophisticated investors, whether Indian or foreign**, for investing it in accordance with a defined investment policy for the benefit of its investors.  
AIFs have been defined in Regulation 2(1)(b) of SEBI (Alternate Investment Fund) Regulations 2012. And its definition includes venture capital fund, hedge fund, private equity fund etc. |
| **Bank Recapitalization** | It means **infusing more capital in state-run banks** so that they meet the capital adequacy norms.  
The government, using different instruments, infuses capital into banks facing shortage of capital.  
As the government is the biggest shareholder in public sector banks (PSBs), the responsibility of bolstering banks’ capital reserves lies with the government. |
| **Limited Liability Partnership** | It is an **alternative corporate business vehicle** that provides the benefits of limited liability of a company, but allows its members the flexibility of organising their internal management on the basis of a mutually arrived agreement, as is the case in a partnership firm.  
**LLP as a separate legal entity, is fully liable of its assets but liability of the partners is limited to their agreed contribution in the LLP.**  
**It limits the liability of partners as far as civil cases are concerned.**  
**In such a partnership, partners can’t be held liable for another’s misconduct or negligence.** |
| **MCA21** | It is an **e-Governance initiative of Ministry of Corporate Affairs (MCA)** that enables an easy and secure access of the MCA services to the corporate entities, professionals and citizens of India. |
| **Strategic Disinvestment** | It is defined as the sale of substantial portion of **government shareholding of a central public sector enterprise (CPSE) of upto 50% or higher**, along with transfer of management control.  
Unlike the simple disinvestment, where Govt retains majority & management control, strategic sale implies some sort of privatization. |
| **Rural Infrastructure Development Fund** | It provide loans to State Governments to enable them to **complete the rural infrastructure projects which are ongoing**.  
It is **created in NABARD** which releases the sanctioned amount on reimbursement basis except for the initial mobilisation advance @30% to North Eastern & Hilly States and 20% for other states. |
| **Fiscal Responsibility and Budget Management (FRBM) Act, 2003** | Act provides a legal **institutional framework for fiscal consolidation** and bounds Government to maintain a defined Fiscal deficit.  
It binds the government through an institutional framework to pursue a prudent fiscal policy. |
### Contingency Fund of India
- It is the emergency fund for the nation **constituted under Article 267(1)**.
- It is used at a **time when there is a crisis in the nation** — a natural calamity, for instance — and money is required to deal with it.
- The Union government has its own contingency fund with a **corpus of Rs 500 crore**.
- It is **at the disposal of the President of India**, who releases the funds on request of the Union Cabinet, which later gets an approval from Parliament.

### Fiscal deficit
- It is the **difference between the government’s total expenditure and its total receipts excluding borrowing**.
- Gross fiscal deficit = Total expenditure – (Revenue receipts + Non-debt creating capital receipts)
- It is a key variable in **judging the financial health of the public sector** and the stability of the economy.

### Revenue Deficit
- It is the **excess of its total revenue expenditure to its total revenue receipts**. It is only related to revenue expenditure and revenue receipts of the government.
- It indicates that the **government doesn’t have sufficient revenue** for the normal functioning of the government departments.
